UNIVERSITY **TOPPER**

Narendra Bist **(BHM)**

4.0 OUT OF 4.0 SGPA

My name is Narendra Bahadur Bist a graduate student of BHM and a university topper throughout my batch scoring 4/4 results in 2014 and always remaining a college topper in Nepal western management and engineering college which is located in the heart of Dhangadhi city in Farwestern province .I have 2 year experience in 5 star hotel which is listed in Marriott group and has chains hotels in 110 countries around the globe .I had worked in different departments of Sheraton Sanya resort located in sanya hainan china as a bar supervisor and kitchen assistant for two years. I had a good knowledge of food and beverage service and food and production patisserie .At present, the scope of hospitality has been increasing day throughout the globe and has brought wide career options that helps to build the carrier in a short time specially to BHM students so, in order to build the carrier in a hospitality I suggest to choose NWMEC which has the right programs to build the carrier.

Lalita Batala **(BBA-BI)**

4.0 OUT OF 4.0 SGPA

I feel glad to introduce myself as a student of NWMEC and it gives me a great pleasure to take a stand at NWMEC. And be in topper position.I am greatly thankful for being received such a qualitative education from highly effective administration and a team of well qualified and experienced teachers who are always prepared to inspire us and help us in the new learning.

I really found NWMEC the right place for a learner who aspire to explore the practical as well as theoretical knowledge in interested field. I am heartily thankful towards the team of NWMEC for providing me a great platform to carry out my study and better career in the upcoming future. When it comes to dedication and responsibility NWMEC is all you need to fulfill your desired an academic destination.

Sunita Chaudhary
(BBA-BI)

4.0 OUT OF 4.0 SGPA

My college Nepal Western Academy (NWMEC) is the first educational institute where I learnt the real meaning of education. Before that I was only a book worm but NWMEC taught me the importance of practical education and real meaning of education that is "learn behavior". I have learnt to implement bookish knowledge into our practical life from NWMEC. It is the platform where priority is not given only to academic calendar but also in overall growth of students and make each and every students saleable in the market.

The live, support, dedication and caring from teachers were unexplainable in words which I received from NWMEC during my bachelor degree. I was in the condition of discontinuing my study in 4th semester but emotional and financial support from my college helped me to complete my bachelor degree with outstanding performance. Thank You So Much to my whole NWMEC family for this precious support. I will be always very Thankful in my whole life for this.

Quality education in well facilitated environment companied with supportive and friendly nature's teachers is the spirit of NWMEC. It is the best educational platform I have ever meet till in my life where everyone can blossom. I would recommend everyone to join NWMEC for their bright future. NWMEC means bright future.

LIBRARY

The college has a very sound **library facility.** The Library is well equipped with paper and digital resources that cannot be found anywhere in the local market along with reading facility for the benefit of the students and faculty. With the links with the top libraries in the country and with our University, we ensure that students have full access to all the needed library materials. The library is fully digitalized to keep track of the books issued and for updating of stock. The computers in the library are linked with internet and loaded with e-books.

The college provides free net access to all the staff and students. This is mainly to enable the students to get maximum exposure to the web world, e-journals and update their knowledge in all the subjects.

- Providing rich set of reference books for optimum academic information services and a conductive and comfortable environment for learning, with fully air conditioned and A/C library.
- Promotes reading habit among students to broaden the knowledge across one text book.

COMPUTER LAB

Nepal Western Management And Engineering College strives to create digital learning environment for its students by providing them access to best available electronic information to enhance their knowledge and skills. NWMEC believes that students, through the Internet, can effectively gather and learn through various academic sources available during and after classes. The main motive of college is to make these facilities available specially for all the needy students who can't afford personally and it can hamper the quality of their knowledge and make them less competitive. So, the college makes sure that no student is deprived of materialistic facilities that compress their level of their knowledge building

The College's computer lab is well equipped with over 50 branded laptops while it provides ample space for students who want to use their personal laptops for group study and project works. .
